

To Whom It May concern

Dividing the 715 area code makes sense , better than (overlay) anew code over the 715 code in the same neighborhood.

I am sorry I can not attend any hearings on the subject because of my work schedule  
I So I will give you mat ideas of how this should be split.

Between the city of Curtiss and Abbotsford on Hwy 29, draw a line south to the 608 area code and going north on the line from Hwy 29 between Cty Rd . E and Hwy 13 When you get to Hwy 8 go between Catawba and Prentice and go north where Hwy 13 bends between Prentice and Phillips go to the east about 10 miles and then go north a crossing Hwy 70 and Hwy 182 about 30 miles east of Park Falls and head north to 30 miles south of Hurley to State line of Michigan.

sincerely
